

740 TOTAL

Our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping abreast of advances in modern dentistry. To ensure we maintain the high standards our patients have come to expect, it is becoming increasingly important for us to accurately match the number and the needs of our patients to the resources we have available.

With this in mind, we have joined with DPAS Limited to design a comprehensive dental treatment plan. This plan will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan. The 740 Total plan will provide advantages both to you and to us. It will allow us to plan your dental care more effectively and provide the best chance of keeping you dentally fit. The advantage for you is that it should reduce the need for future treatment and you will have the peace of mind that your dental treatment will be covered by convenient monthly payments. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf).

YOUR BENEFITS

- All your routine dental treatment is included.
- Payment by convenient monthly Direct Debit, allowing you to budget.
- Guaranteed registration with the practice and continuing access to your dentist.
- Family discount available if members are using the same Direct Debit.
- Early identification of dental problems to prevent pain, discomfort and inconvenience.
- Appointment times to suit you whenever possible.
- Priority bookings in the event of a dental emergency.
- Access to a 24 hour dental emergency helpline 365 days per year.
- Worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

WHO IS OUR PLAN FOR?

Our plan is designed for patients who wish to attend the practice on a regular basis and have peace of mind that their routine dental treatment is covered.

WHAT DOES OUR PLAN INCLUDE?

- All regular dental health examinations.
- All hygienist appointments including scale and polish and periodontal advice.
- All x-rays required.
- Fillings to restore dental health.
- 50% discount on root canal treatment fees.
- Crown and bridge work to restore dental health.
- 10% discount on elective cosmetic treatments and facial aesthetic treatments.
- Extensive preventive advice including diet and oral hygiene advice.

HOW DO YOU JOIN OUR PLAN?

Your dentist will carry out an assessment to ensure that 740 Total is suitable for your dental needs and will advise you of the monthly amount to pay to cover the most appropriate level of care and the charges for management and administration payable by you to DPAS. Then joining is very simple. All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS.

In addition to your first monthly payment, an initial registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment.

WHAT IS EXCLUDED FROM OUR PLAN?

Although non-routine services are available from the practice, some items fall outside the scope of the plan and are not covered by the monthly payment namely:

- Cosmetic dentistry.
- Referrals to specialists.
- Laboratory fees.
- Implants.
- Orthodontics.
- Facial aesthetic treatment.
- Elective major rehabilitation treatment.

Treatment not covered by this plan can be paid for separately.

WHAT HAPPENS IN AN EMERGENCY?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.
